

GUMMADI NARENDHER

B.Tech – Electronics and Communication Engineering

■ +91 8074888318 | ✉ patelgummadinarendher@gmail.com | ■ Hyderabad, Telangana

Career Objective

Motivated and enthusiastic B.Tech graduate in Electronics and Communication Engineering, seeking to begin my career as a Customer Support Executive. Passionate about delivering excellent customer service, resolving client issues effectively, and contributing to an organization's success through strong communication and problem-solving skills.

Education

Institution	Qualification	Year
Sreyas Institute of Engineering and Technology	B.Tech (Electronics & Communication Engineering)	2021 – 2025
Sri Gayatri Junior College	Intermediate (MPC)	2019 – 2021
Shantiniketan High School	High School	2018 – 2019

Key Skills

Strong verbal and written communication
Customer relationship management
Problem-solving and conflict resolution
Time management and multitasking
Basic computer knowledge (MS Office, CRM tools)
Email and chat support handling

Academic Projects

GSM Based Manhole Monitoring System

Developed an automated system to detect overflow or gas leakage in manholes using GSM technology. The system alerts the concerned authorities through SMS notifications, helping prevent accidents and ensuring public safety.

Forensic Imaging Integrity Guarantor using Raspberry Pi and Bluetooth Tag

Designed a system for ensuring the integrity of forensic digital images by using Raspberry Pi and Bluetooth-based tagging, providing secure verification and traceability of captured evidence.

Certifications

Basics of Customer Support – Coursera
Communication Skills for Beginners – Udemy
Introduction to MS Office Tools – LinkedIn Learning
